

Implant Service Member Fee Schedule

Members of the "Implant Service" dental plan are eligible to receive benefits immediately upon the effective date.

The member fees listed are offered only by a Solstice provider participating in the Implant Network. The member is ultimately responsible for verifications to the accuracy and appropriateness of all fees applicable to any Solstice dental benefit provided by a Solstice network provider. Solstice urges all of its members to verify all fees for proposed treatment via the "Member Fee Schedule" and/or with Solstice Member Services Department prior to treatment.
